Dear Ms Mitchell,

This letter is in regards to the December 31, 2013 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor.

You will need to purchase a larger fire extinguisher. The one you currently have is a 1A 10BC classification. Make sure that you check the classification at the time of purchase as it will need to be 2A 10BC or larger. Fire extinguishers can be purchased at stores such as Wal-Mart, Menards, and Home Depot.

☐ 110.5(1)s The provider has completed training in CPR for infants, toddlers, and children. Documentation of current certification is on file.

If you are unable to locate your current certification you will need to retake this course. There is information in the packet provided if you need to schedule a class. You can also call Child Care Resource and Referral at 1-800-722-7619 to obtain this information as well.

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

110.8(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "A"

☐ 110.8(2) Has three written references which attest to character and ability to provide child care.

Locate and place in your provider file with training certificates, physical, etc.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before _____.**

☐ Based on the items out of compliance listed above, you will be required to have a re-check or follow-up visit to your home. This visit will occur on or after _____.

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: February 11, 2014.
